ಅನುಬಂಧ - 3

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Subject: Constitution of District: Divisional and State Level Committees for verification and finalisation of village and survey number wise extent of deemed forest areas in the State – reg.

READ: 1. Government Order No. FEE 2 FFM 1997, dated: 10.01.1997.
2. Government Order No. FEE 270 FGL 2002, dated: 25.09.2002.

*****

PREAMBLE:

The Forest (Conservation) Act, 1980 (Central Act) is enacted to conserve the dwindling forest resources in the country. Section (2) of Forest (Conservation) Act, 1980 puts some restrictions on the de-reservation of forests or use of forest land for non-forest activities.

2. The Hon'ble Supreme Court of India in WP (Civil) 202/1995 (Godavarman Thirumulpad vs Union of India & others) has defined the scope of 'forest' and "forest land" as mentioned in the Forest (Conservation) Act, 1980 vide its order dated 12/12/1996 as under:

"it has emerged at the hearing, that there is a misconception in certain quarters about the true scope of Forest(Conservation) Act-1980 (for short the 'Act') and the meaning of the word 'forest' used therein. There is also a resulting misconception about the need of prior approval of the Central Government, as required by Section 2 of the Act, in respect of certain activities in the forest area which are more often of a commercial nature. It is necessary to clarify that position.

The Forest Conservation Act, 1980 was enacted with a view to check further deforestation which ultimately results in ecological imbalance: and therefore the provisions made therein for the conservation of forests and for matters connected herewith must apply to all forests irrespective of the nature of ownership or classification thereof. The word 'Forest' must be understood according to its dictionary meaning. This description covers all statutorily recognised forests, whether designated as reserved, protected or otherwise for the purpose of Section 2(1) of the Forest Conservation Act. The term 'forest land', occurring in Section 2, will not only include "forest" as understood in the dictionary sense, but also any area recorded as 'forest' in the Government record irrespective of the ownership. This is how it has to be understood for the purpose of Section 2 of the Act. The provisions enacted in the Forest Conservation Act-1980 for the conservation of forests and the matters connected therewith must apply clearly to all forests so understood irrespective of the ownership or classification thereof".

The Hon'ble Supreme Court further ordered that

"Each State Government should constitute within one month an Expert Committee to:

i) identify areas which are 'forests' irrespective of whether they are so notified, recognised or classified under any law and irrespective of the ownership of the land of such forest;

..2

ii. identify areas which were earlier forests but stand degraded, denuded or cleared; and

iii. identify areas covered by plantation trees belonging to the Government and those belonging to private persons".

3. The Government of Karnataka has constituted Expert Committee-I as per the directions of the Hon'ble Supreme Court vide its Order No.FEE 2 FFM 97, dated 10-01-1997 read at (1) above with a mandate to study and submit a report as per the directions of the Apex Court dated 12.12.1996. Accordingly, the Expert Committee-I submitted its report to Government on 02/04/1997.

4. After examining the report of Expert Committee-I, Government of Karnataka has filed an Affidavit before Hon'ble Supreme Court on 05/04/1997 read with Affidavit dated 25.09.1997 based on the recommendations of the Expert Committee –I.

5. In the Affidavit it is stated that the survey and demarcation of areas identified as 'forest' under the control of the forest department is complete and however in respect of the additional area identified as "forest", the listing of the areas, survey number wise, village, taluk and district-wise needs to be undertaken. Hence, in the affidavit, request was made for one year time to consolidate the additional forest areas (other than statutory forests) identified (survey number, village, taluk and district-wise).

7. The Central Empowered Committee (CEC) of the Supreme Court of india observed that no action has been taken as per the Affidavit filed by Government of Karnataka even though the State Government had undertaken to complete the work of compiling detailed information of 'forests' within one year of filing the Affidavit. The CEC has recorded that on the basis of the affidavit filed by the State Government indicating 46,32,615 Ha of 'forest' in the State, further classification of this extent (a) Notified forest area as per Government Records (b) Deemed forests (other than (a). The 'Deemed forests' should be further categorised survey number, village and district-wise. The 'Deemed forest' may be the part of the private forest, thickly wooded areas on Government lands which are not notified as 'forests' and others.

8. In view of this observation of CEC, the Government vide its Order No. FEE 270 FGL 2002 dated 25/09/2002 read at (2) above, has reconstituted the Expert Committee-I to submit a report within two months.

9. The Revised Expert Committee-I has categorised the 'forests' into 'Notified forests' (33,23,854 Ha) and Deemed forests (9,94,881 Ha) with a total area of 43,18,735 Ha. It has excluded strip plantations, roadside plantations, Canal bank plantations from the list of 'deemed forests'. The details of the 'Notified Forests' and 'Deemed Forests' classified by the Committee are shown in the Annexure to this Government Order.

10. The Government of Karnataka has now, decided to have a relook on the report of the Revised Expert Committee-I since some of the "statutory forests" were categorised as "deemed forests". In other cases, where areas have been categorised according to "dictionary definition", it is not based on a well defined pre-determined field criteria that can be applied and verified in field. This has resulted in subjective classification of areas into 'deemed forests'. This has also led to serious differences with other Government Departments, particularly Revenue, Irrigation, PWD and Energy Departments that the areas without any tree growth have been classified as 'deemed forests', particularly in case of C&D class lands handed over to forest department by the Revenue Department, consequently making the areas subject to Forest Conservation Act, 1980 for diverting them to non-forestry purposes and made the following observations:-

a) Areas 'proposed for notification under Section 4 of Karnataka Forest Act, 1963' are included in 'deemed forest'. Out of this, only areas that can be called as 'forests' by dictionary definition of forest (by applying the field criteria) only have to be considered.

b) Amrit Mahal kaval lands are assigned as grazing lands for Amrit mahal breed of cattle owned by Government even from the time of Tipu Sultan and are not 'District Forest' as per the definition, though rules for management of district forests are made applicable to these kavals. Hence, Amrit mahal kavals, which have tree growth as per dictionary definition of forest, only are to be included as "forests".

c) Bane, Kumki lands are "forest lands" where certain privileges are allowed under sub-section (2) of Section 79 of Karnataka Land Revenue Act. Rules for management of Kumki Lands were all through notified under the Madras Forest Act. Coorg revenue Manual & Karnataka Revenue Survey Manual defines Bane lands as "Forest land (emphasis supplied) granted for the service of the holding of wetland, to be held free of revenue by the cultivator for grazing and to supply leaf manure, firewood and timber required for the agricultural and domestic purposes of the cultivator, so long as he continues in possession of the wetland".

d) Paisari lands are " all wasteland and forest lands which are declared to be the property of Government and which have been not notified as protected forest or as forest reserved" as per the Karnataka Revenue Survey Manual. Hence, out of paisari lands, forest paisari lands (emphasis supplied) are forest lands (based on revenue settlement entries/ RTC entries).

e) All the areas in categories 10,11,13,15,16,17 to 23 of Reconstituted Expert Committee-I Report (refer annexure) needs review based on a pre-determined criteria for classification, for inclusion of these areas as forests by dictionary definition of 'forest', as they do not fall into either 'statutory forests' or 'forests as per Govt. records'.

f) Only block plantations on Govt. lands which can be called as "forest" as per the set pre-determined criteria based on dictionary definition of 'forest', shall be included as "forests" and hence, strip, roadside, school, canal bank, institutional plantations are to be excluded from categorisation as 'deemed forests'.

..4

11. In the light of the directions of Apex Court vide its order dated 12/12/1996 to have more clarity on the issue of identification of forest in Karnataka state, the whole issue may be dealt as follows.

a. Statutorily recognised 'forests' ('Notified Forests' in CEC criteria): The details of the statutorily recognised 'forests' in the State of Karnataka are as follows:

	Class	Statutory Provisions
1	Reserved Forests	i) As per section 2 (14) in the Karnataka Forest Act, 1963, 'Reserved forest' means any land settled and notified as such in accordance with the provisions of chapter II of the Karnataka Forest Act, 1963; ii) As per section 23 in the Karnataka Forest Act, 1963, any forest which has been notified as a state forest under the Mysore Forest Act, 1900, or as a reserved forest under the Indian Forest Act, 1927, the Madras Forest Act, 1882, or the Hyderabad Forest Act, 1355 F., prior to the date on which this Act comes into force, shall be a reserved forest under the Karnataka Forest Act, 1963.
2	Village Forests	As per section 2 (22) in the Karnataka Forest Act, 1963, 'Village forest' means any land notified as such in accordance with the provisions of chapter III of the Karnataka Forest Act, 1963;
3	District Forests	As per section 2 (2) in the Karnataka Forest Act, 1963, the 'District forest' includes all land at the disposal of Government not included within the limits of any reserved or village forest nor assigned at the survey settlement as free grazing ground or for any other public or communal purposes; Provided that it shall be competent for the State Government to modify or set aside such assignment and constitute any such land as reserved, village or district forest or devote the same to any other purpose it may deem fit;
		1. Protected Forests: (i). As per section 2 (13) in the Karnataka Forest Act, 1963, 'Protected forest' means any area at the disposal of Government which has been placed under special protection under clause (ii) of sub-section (2) of section 33 or is declared to be a protected forest under section 35; ii) As per section 35 in the Karnataka Forest Act, 1963, any forest in the state which has been notified as 'minor forest' under the Mysore Forest Act, 1900, or as 'protected forest' under the Indian Forest Act, 1927, or the Hyderabad Forest Act, 1355 F., prior to the date on which this Act comes into force, shall be a protected forest under this Act and the provisions applicable to a protected forest shall be applicable to such forests. As per rule 31 in the Karnataka Forest Rules, 1969, the rules for the management of district forests shall, mutatis - mutandis, be applicable to Protected Forests.

		2. Sub-section (2) of Section 79 of the Karnataka Land Revenue Act, 1964 (Act No. 12 of 1964) reads as follows: "(2). Notwithstanding anything contained in sub-section (1) but subject to such general or special orders that may be issued by the State Government from time to time the privileges that are being enjoyed either by custom or under any order such as privileges in respect of Kumki lands, Bane lands and Kane lands in South Kanara District, Betta lands and Hadi lands in North Kanara District, Kan and Soppina Betta lands in Mysore area, Jamma and Bane lands in Coorg District and motasthal wet lands in Hyderabad Area shall continue." Sub-section (3) of Section 94-B of the Karnataka Land Revenue Act, 1964 (Act No. 12 of 1964) reads as follows: "94-B. Grant of land in certain cases: XXXX (3). Nothing in this section shall apply to forest land except any land referred to in sub-section (2) of Section 79 which is classified as forest land."
		3. under clause (f) of sub-section (1) of section 143 of the Coorg Land and Revenue Regulation, 1899, made rules for the regulation of certain matters relating to paisari lands, vide notification No. 79, dated 30th September 1901. Forest Paisari lands are forests.
		4. Any area set apart for forest reserve under Section 71 of the Karnataka Land Revenue Act, 1964.
		5. Any area reserved and transferred to the forest department under the provisions in sub-section (3) of section 77 of the Karnataka Land Reforms Act, 1961.
		5. All the land parcels notified in the Official Gazette under the provisions of Section 4 of the relevant Forest Act, which are in the process of Forest settlement for the final notification as "Reserved Forest" under Section (17) of Karnataka Forest Act, 1963.
4	Private Forests	i) As per section 36 in the Karnataka Forest Act, 1963, any land containing trees and shrubs, pasture lands and any land whatsoever which the state government may, by notification under this section, declare to be a forest, is a private forest. ii) As per section 39 in the Karnataka Forest Act, 1963, any land notified by the State Government under this section for the protection of forests for special purposes is a private forest.

b) **Areas recorded as 'forests' in the Government records:** All the land parcels that are recorded as forest, aranya, kadu, marakadu, jungle etc., (i) in the land records (RTC Pahani etc.) maintained under the provisions of the Karnataka Land Revenue Act, 1964 (Act No. 12 of 1964) and allied statutes till 30[th] June 1981; (ii). All classes of lands in the survey settlement records prepared during the process of land revenue settlement; (iii). Forest Working Plans; (iv). District Census Handbooks of all the districts in the State of Karnataka; (v) All classes of lands designated as forests in the Karnataka Revenue Survey Manual, could be defined as "forest" for the purpose of the Forest (Conservation) Act, 1980.

..6

c) 'Forests' as understood in the dictionary sense:
The following field criteria is approved by the Government for determining the 'Forests' as understood in the dictionary sense (i) All Government land parcels (excluding those which are "statutory forests" and 'forests as per Government records"). of an area of two hectares and above having at least a density of 50 naturally grown trees per hectare. of gbh of 30 cm and above (OR) All plantations on Government lands of an area of 2 Ha and above (excluding those which are "statutory forests" and 'forests as per Government records") with a minimum density of 100 planted trees/ Ha of gbh of 30 cm and above. (gbh is girth of tree at breast height measured at a height of 4.5 feet from ground)

d) Plantations of any kind on private lands shall not be considered as 'forests'. Private lands with naturally grown trees, with 50 trees per hectare of gbh 30 cm and above. on an extent of 5Ha and above shall only be treated as "private forests".

12. After exclusion of all the above 'forests', the remaining areas out of the lands at the disposal of Govt., as per the definition of "District Forests" under Section 2(2) of the Karnataka Forest Act, 1963 can be excluded from the purview of Forest Conservation Act, 1980 after seeking necessary orders from Apex Court by filing an Affidavit/Interlocutory Application in the Court in WP(Civil) 202/1995 with proper justification for such exclusion. The lands so excluded shall be reserved for public purpose like Health, Education, Irrigation, Social Welfare, Rural Housing and essential Rural Infrastructure.

Now the Government of Karnataka examined all the aspects in the light of the above facts and decided to issue the following order:-

GOVERNMENT ORDER NO: FEE 185 FAF 2011
BANGALORE, DATED: 15-05-2014

After careful examination all the aspects and to ensure compliance of the order of the Supreme Court dated 12/02/1996 the Government constitutes the following committees:

The Committees will verify/review the areas included as 'Deemed Forests' in the report of Revised Expert Committee-1. The total extent of deemed forests should be categorised into a) statutory forests b) recorded as "forests" in Government records c) areas which are 'forests' as per dictionary definition based on field verification as per the criteria and methodology approved at Para (11) of Preamble. The Committees will also consider those areas not included in the Revised Expert Committee report as deemed forest, but eligible for inclusion based on Government records or approved field criteria.

(A) District Level Committee:

a) Deputy Commissioners of the District.
b) Deputy Conservator of Forests (territorial) at Distict Headquarters – Convenor.
c) Deputy Conservator of Forests (territorial)/Wildlife, where the district has two or more divisons.
d) Deputy Directors of Land Records concerned.

(B) Revenue Divisional Level Committee:

a) Regional Commissioner of the Revenue Division.
b) Chief Conservator of Forests of the Forest Circle stationed at Revenue Divisional Headquarters -Convenor.
c) Chief Conservators of Forests of the Territorial Circles in the Revenue Division.
d) Joint Directors of Land Records

(C) State Level Committee:-

a) Additional Chief Secretary to Government, Forest, Ecology and Environment Department.
b) Principal Secretary/Secretary to Government. Revenue Department.
c) Principal Chief Conservator of Forests (HOFF).
d) Commissioner for Survey Settlement and Land Records.
e) Additional Principal Chief Conservator of Forests. Working Plans-Convenor

1) The District Committees will organise field teams for applying the approved field criteria to arrive at forest areas as per Dictionary definition. These field teams shall visit the areas listed by Revised Expert Committee as 'Deemed Forests', as well as areas left out by Revised Expert Committee, but otherwise fit to be a "forest" as per the field criteria or as per the entries in Government records. The District Committees may meet as many times as required. but a monthly review is mandatory, as the task assigned herein should be completed in a **six months**.

2) The state level committee will review the progress and issue further guidelines/clarifications as deemed necessary for proper conduct of the review.

3) The Regional Committee will review, monthly, the progress of the District teams.

4) Principal Chief Conservator of Forests (HOFF) should ensure that none of the statutorily notified forests such as Reserved Forests, Protected Forests, Village Forests, areas notified under Sec(4) of Karnataka Forest Act,1963, overlap with the forests areas to be finalised now under the categories of forest by dictionary definition (by applying field criteria) and forests as per Government Records. Necessary instructions be issued to the field officers in the matter.

5) During the pendency of the review, if any area is required for public purpose such as health, education, social welfare, irrigation and other essential rural infrastructure out of the Government lands (excluding statutory 'forests' and forests as per Govt., records), the pre-determined 'field criteria' as in para 11 approved will be applied to decide whether the proposed area falls under 'forest' or otherwise.

6) On completion of the review, the reports shall be placed before the Cabinet for consideration and after approval by the Cabinet an Affidavit will be filed before the Hon'ble Supreme Court, accordingly.

By ORDER AND IN THE NAME OF THE
GOVERNOR OF KARNATAKA.

JUDGMENT:

(With W.P.(Civil) No. 171/96)

O R D E R

In view of the great significance of the points involved in these matters, relating to the protection and conservation of the forests throughout the country, it was considered necessary that the Central Government as well as the Governments of all the States are heard. Accordingly, notice w as issued to all of them. We have heard the learned Attorney General for the Union of India, learned counsel appearing for the States and the parties/applicants and, in addition, the learned Amicus Curiae, Shri H.N. Salve, assisted by Sarvashri U. U. Lalit, Mahender Das and P.K. Manohar. After hearing all the learned counsel, who have rendered very able assistance to the court, we have formed the opinion that the matters require a further indepth hearing to examine all the aspects relating to the National Forest Policy. For this purpose, several points which emerged during the course of the hearing require further study by the learned counsel and, therefore, we defer the continuation of this hearing for some time to enable the learned counsel to further study these points.

However, we are of the opinion that certain interim directions are necessary at this stage in respect of some aspects. We have heard the learned Attorney General and the other learned counsel on these aspects.

It has emerged at the hearing, that there is a misconception in certain quarters about the true scope of the Forest Conservation Act, 1980 (for short the 'Act') and the meaning of the word "forest" used therein. There is also a resulting misconception about the need of prior approval of the Central Government, as required by Section 2 of the Act, in respect of certain activities in the forest area which are more often of a commercial nature. It is necessary to clarify that position.

The Forest Conservation Act, 1980 was enacted with a view to check further deforestation which ultimately results in ecological imbalance; and therefore, the provisions made therein for the conservation of forests and fore matters connected therewith, must apply to all forests irrespective of the nature of ownership or classification thereof. The

word "forest: must be understood according to its dictionary meaning. This description cover all statutorily recognised forests, whether designated as reserved, protected or otherwise for the purpose of Section 2(i) of the Forest Conservation Act. The term "forest land", occurring in Section 2, will not only include "forest" as understood in the dictionary sense, but also any area recorded as forest in the Government record irrespective of the ownership. This is how it has to be understood for the purpose of Section 2 of the Act. The provisions enacted in the Forest Conservation Act, 1980 for the conservation of forests and the matters connected therewith must apply clearly to all forests so understood irrespective of the ownership or classification thereof. This aspect has been made abundantly clear in the decisions of this Court in Ambica Quarry Works and ors. versus State of Gujarat and ors. (1987 (1) SCC 213), Rural Litigation and Entitlement Kendra versus State of U.P. (1989 Suppl. (1) SCC 504), and recently in the order dated 29th November, 1996 in W.P.(C) No.749/95 (Supreme Court Monitoring Committee vs. Mussorie Dehradun Development Authority and ors.). The earlier decision of this Court in State of Bihar Vs. BanshiRam Modi and ors. (1985 (3) SCC 643) has, therefore, to be understood in the light of these subsequent decisions. We consider it necessary to reiterate this settled position emerging from the decisions of this court to dispel the doubt, if any, in the perception of any State Government or authority. This has become necessary also because of the stand taken on behalf of the State of Rajasthan, even at this late stage, relating to permissions granted for mining in such area which is clearly contrary to the decisions of this court. It is reasonable to assume that any State Government which has failed to appreciate the correct position in law so far, will forthwith correct its stance and take the necessary remedial measures without any further delay.

We further direct as under:-

I. General:

1. In view of the meaning of the word "forest" in the Act, it is obvious that prior approval of the Central Government is required for any non-forest activity within the area of any "forest". In accordance with Section 2 of the Act, all on-going activity within any forest in any State throughout the country, without the prior approval of the Central Government, must cease forthwith. It is, therefore, clear that the running of saw mills of any kind including veneer or ply-wood mills, and mining of any mineral are non-forest purposes and are, therefore, not permissible without prior approval of the Central Government. Accordingly, any such activity is prima facie violation of the provisions of the Forest Conservation Act, 1980. Every State Government must promptly ensure total cessation of all such activities forthwith.

2. In addition to the above, in the tropical wet ever-green forests of Tirap and Changlang in the State of Arunachal Pradesh, there would be a complete ban on felling of any kind of trees therein because of their particular significance to maintain ecological balance needed to preserve bio-diversity. All saw mills, veneer mills and ply-wood mills in Tirap and Changlang in Arunachal Pradesh and within a distance of 100 Kms. from its border, in Assam, should also be closed immediately. The State Governments of Arunachal Pradesh and Assam must ensure compliance of this direction.

3. The felling of trees in all forests is to remain suspended except in accordance with the Working Plans of the

State Governments, as approved by the Central Government. In the absence of any Working Plan in any particular State, such as Arunachal Pradesh, where the permit system exists, the felling under the permits can be done only by the Forest Department of the State Government or the State Forest Corporation.

4. There shall be a complete ban on the movement of cut trees and timber from any of the seven North-Eastern States to any other State of the country either by rail, road or water-ways. The Indian Railways and the State Governments are directed to take all measures necessary to ensure strict compliance of this direction. This ban will not apply to the movement of certified timber required for defence or other Government purpose. This ban will also not affect felling in any private plantation comprising of trees planted in any are which is not a forest.

5. Each State Government should constitute within one month an Expert Committee to:

(i) Identify areas which are "forests", irrespective of whether they are so notified, recognised or classified under any law, and irrespective of the ownership of the land of such forest;

(ii) identify areas which were earlier forests but stand degraded, denuded or cleared; and

(iii) identify areas covered by plantation trees belonging to the Government and those belonging to private persons.

6. Each State Government should within two months, file a report regarding:-

(i) the number of saw mills, veneer and plywood mills actually operating within the State, with particulars of their real ownership;

(ii) the licensed and actual capacity of these mills for stock and sawing;

(iii) their proximity to the nearest forest;

(iv) their source of timber.

7. Each State Government should constitute within one month, an Expert Committee to assess :

(i) the sustainable capacity of the forests of the State qua saw mills and timber based industry;

(ii) the number of existing saw mills which can safely be sustained in the State;

(iii) the optimum distance from the forest, qua that State, at which the saw mill should be located.

8. The Expert Committees so constituted should be requested to give its report within one month of being constituted.

9. Each State Government would constitute a Committee comprising of the Principal Chief Conservator of Forests and another Senior Officer to oversee the compliance of this order and file status reports.

II. FOR THE STATE OF JAMMU & KASHMIR:

1. There will be no felling of trees permitted in any

"forest", public or private. This ban will not affect felling in any private plantations comprising of trees planted by private persons or the Social Forestry Department of the State of Jammu & Kashmir and in such plantations, felling will be strictly in accordance with law.

2. In 'forests', the State Government may either departmentally or through the State Forest Corporation remove fallen trees or fell and remove diseased or dry standing timber; and that only from areas other than those notified under the Jammu & Kashmir Wild Life Protection Act, 1978 or any other law banning such felling or removal of trees.

3. For this purpose, the State Government will constitute an Expert Committee comprising of a representative being an IFS Officer posted in the State of Jammu & Kashmir, a representative of the State Government, and two private experts of eminence and the Managing Director of the State Forest Corporation (as Member Secretary) who will fix the qualitative and quantitative norms for the felling of fallen trees, diseased and dry standing trees. The State shall ensure that the trees so felled and removed by it are strictly in accordance with these norms.

4. Any felling of trees in forest or otherwise or any clearance of land for execution of projects, shall be in strict compliance with the Jammu & Kashmir Forest Conservation Act, 1990 and any other laws applying thereto. However, any trees so felled, and the disposal of such trees shall be done exclusively by the State Forest Corporation and no private agency will be permitted to deal with this aspect. This direction will also cover the submerged areas of the THEIN Dam.

5. All timber obtained, as aforesaid or otherwise, shall be utilised within the State, preferably to meet the timber and fuel wood requirements of the local people, the Government and other local institutions.

6. The movement of trees or timber (sawn or otherwise) from the State shall, for the present, stand suspended, except for the use of DGS & D, Railways and Defence. Any such movement for such use will -

a) be effected after due certification, consignment-wise made by the Managing Director of the State Corporation which will include certification that the timber has come from State Forest Corporation sources; and

b) be undertaken by either the Corporation itself, the Jammu & Kashmir Forest Department or the receiving agency.

7. The State of Jammu & Kashmir will file, preferably within one month from today, a detailed affidavit specifying the quantity of timber held by private persons purchased from State Forest Corporation Depots for transport outside the State (other than for consumption by the DGS & D, Railways and Defence). Further directions in this regard may be considered after the affidavit is filed.

8. No saw mill, veneer or plywood mill would be permitted to operate in this State at a distance of less than 8 Kms. from the boundary of any demarcated forest areas. Any existing mill falling in this belt should be relocated forthwith.

III. FOR THE STATE OF HIMACHAL PRADESH AND THE HILL REGIONS OF THE STATES OF UTTAR PRADESH AND WEST BENGAL:

1. There will be no felling of trees permitted in any

forest, public or private. This ban will not affect felling in any private plantation comprising of trees planted in any area which is not a 'forest'; and which has not been converted from an earlier "forest". This ban will not apply to permits granted to the right holders for their bonafide personal use in Himachal Pradesh.

2. In a 'forest', the State Government may either departmentally or through the State Forest Corporation remove fallen trees or fell and remove diseased or dry standing timber from areas other than those notified under Section 18 or Section 35 of the Wild Life Protection Act, 1972 or any other Act banning such felling or removal of trees.

3. For this purpose, the State Government is to constitute an expert Committee comprising a representative from MOEF, a representative of the State Government, two private experts of eminence and the MD of the State Forest Corporation (as Member Secretary), who will fix the qualitative and quantitative norms for the felling of fallen trees and diseased and standing timber. The State shall ensure that the trees so felled and removed are in accordance with these norms.

4. Felling of trees in any forest or any clearance of forest land in execution of projects shall be in strict conformity with the Forest Conservation Act, 1980 and any other laws applying thereto. Moreover, any trees so felled, and the disposal of such trees shall be done exclusively by the State Forest Corporation and no private agency is to be involved in any aspect thereof.

IV. FOR THE STATE OF TAMIL NADU:

1. There will be a complete ban on felling of trees in all forest areas'. This will however not apply to:-

(a) trees which have been planted and grown, and are not of spontaneous growth, and

(b) are in areas which were not forests earlier, but were cleared for any reason.

2. The State Government, within four weeks from today, is to constitute a committee for identifying all "forests".

3. Those tribals who are part of the social forestry programme in respect of patta lands, other than forests, may continue to grow and cut according to the Government Scheme provided that they grow and cut trees in accordance with the law applicable.

4. In so far as the plantations (tea, coffee, cardamom etc.) are concerned, it is directed as under:

a) The felling of shade trees in these plantations will be -

i) limited to trees which have been planted, and not those which have grown spontaneously;

ii) limited to the species identified in the TANTEA report;

iii) in accordance with the recommendations of (including to the extent recommended by) TANTEA; and

iv) under the supervision of the statutory committee constituted by the State Government.

b) In so far as the fuel trees planted by the plantations for fuel wood outside the forest area are concerned, the State Government is directed to obtain within four weeks, a report from TANTEA as was done in the case of Shade trees,

and the further action for felling them will be as per that report. Meanwhile, eucalyptus and wattle trees in such area may be felled by them for their own use as permitted by the statutory committee.
c) the State Government is directed to ascertain and identify those areas of the plantation which are a "forest" and are not in active use as a plantation. No felling of any trees is however to be permitted in these areas, and sub-paras (b) and (c) above will not apply to such areas.
d) There will be no further expansion of the plantations in a manner so as to involve encroachment upon (by way of clearing or otherwise) of "forests".
5. As far as the trees already cut, prior to the interim order of this court dated December 11, 1995 are concerned, the same may be permitted to be removed provided they were not so felled from Janmam land. The State Government would verify these trees and mark them suitably to ensure that this order is duly complied with. For the present, this is being permitted as a one time measure.
6. Insofar as felling of any trees in Janmam lands is concerned (whether in plantations ore otherwise), the ban on felling will operate subject to any order made in the Civil Appeal Nos. 367 to 375 of 1977 in C.A. Nos. 1344-45 of 1976. After the order is made in those Civil Appeals on the I.As. pending therein, if necessary, this aspect may be re-examined.
7. This order is to operate and to be implemented, notwithstanding any order at variance, made or which may be made by any Government or any authority, tribunal or court, including the High Court.

The earlier orders made in these matters shall be read, modified wherever necessary to this extent. This order is to continue, until further orders. This order will operate and be complied with by all concerned, notwithstanding any order at variance, made or which my be made hereafter, by any authority, including the Central or any State Government or any court (including High Court) or Tribunal.

We also direct that notwithstanding the closure of any saw mills or other wood-based industry pursuant to this order, the workers employed in such units will continue to be paid their full emoluments due and shall not be retrenched or removed from service for this reason.

We are informed that the Railway authorities are still using wooden sleepers for laying tracks. The Ministry of Railways will file an affidavit giving full particulars in this regard including the extent of wood consumed by them, the source of supply of wood, and the steps taken by them to find alternatives to the use of wood.

I.A. Nos. 7,9,10,11,12,13 and 14 in Writ Petition (Civil) No. 202 of 1995 and I.A. Nos. 1,3,4,5,6,7,8 & 10 in Writ Petition (Civil) No. 171 of 1996 are disposed of, accordingly.

List the matter on February 25, 1997 as part-heard for further hearing.

AFFIDAVIT IN SUPPORT OF THE REPORTS OF EXPERT COMMITTEES I AND II

I, P.G.Prasad, aged 51 years S/o Pujahanumaiah, working as Under Secretary, Govt. of Karnataka, Forest, Environment and Ecology Department, M.S.building, Bangalore-1, do hereby solemnly swear and affirm as under:-

No. of corrections :

1. I have been prosecuting the above matters in this Hon'ble Court. By virtue of my personal handling of the case as well as by virtue of the records and papers in my possession and by virtue of an authorisation by the Government of Karnataka in my favour enabling me to swear this affidavit, I am competent to swear this affidavit.

2. That as per the order of this Hon'ble Court dated 12th December 1996, the Expert Committee I had been constituted by the Govt. by order dated.10.01.1997 as under:-.

1. Chief Conservator of Forests, Working Plans & & Development	- Chairman
2. Conservator of Forests, Kanara Circle, Sirsi	- Member
3. Conservator of Forests, Bellary Circle, Bellary	- Member
4. Conservator of Forests, Shimoga Circle, Shimoga	- Member
5. Conservator of Forests, Belgaum Circle, Belgaum	- Member
6. Conservator of Forests, Social Forestry Circle, Gulbarga	- Member
7. Conservator of Forests, Social Forestry Circle, Bangalore.	- Member
8. Conservator of Forests, Project Formulation & Planning, Bangalore.	- Member Secretary

No. of corrections :

Similarly Expert Committee No.II was constituted by the Govt. by its order dated 10.01.1997 as under:-

1. Chief Conservator of Forests, Administration	- Chairman
2. Conservator of Forests, Bangalore Circle, Bangalore	- Member
3. Conservator of Forests, Mysore Circle, Mysore	- Member
4. Conservator of Forests, Kodagu Circle, Madikeri	- Member
5. Conservator of Forests, Social Forestry Circle, Hassan	- Member
6. Conservator of Forests, Social Forestry Circle, Dharwad	- Member
7. Conservator of Forests, Vigilance	- Member
8. Conservator of Forests, (Communication & Information), Bangalore	- Member

3. That the above said committees after protracted deliberations have submitted their respective reports which are filed herewith as enclosure 1 and enclosure 2 respectively.

4. That on a detailed consideration of both the reports the Govt. has fully accepted the report of the Expert Committee II. However, in respect of the report of the Expert Committee No.I there have been certain minor discrepancies in the matter of identification of the forest areas. According to the statement III at page 9 of the of the report of Expert Committee I, the total forest area identified by the Committee comes to 45,89,506 hectares. Whereas, that total forest area as per the records of the Govt. correctly calculated comes to around 46,32,615 hectares. The tabulated form of the list

No. of corrections :

shown at page 9 of the report of the committee I will be referred to as committee list and the list filed at page 21 with my affidavit dated 05/04/97 will be referred to as Government list. The discrepancy between the two lists needs to be explained as under:-

a) That total reserve forest indicated by the Expert Committee report is 28,18,905.63 hectares. Whereas, the reserve forests duly notified under Section 17 of the Karnataka Forest Act,1963 correctly calculated comes to 28,68,996 hectares. Thus there is a difference of about 50,000 hectares in calculation.

b) The protected forests is shown as 4,11,533.54 hectares in the committee report whereas the protected forests as notified under Section 35 of the Karnataka Forest Act,1963 comes to around 3,93,072 hectares. Thus there is a difference of about 18,000 hectares.

c) Similarly there is a difference of about 3,000 hectares in the case of village forest and about 400 hectares in the case of private forests.

d) An area amounting to 5,23,100 hectares transferred to Forest Department by Govt. from time to time have not been classified as yet and therefore they are not shown in the above 4 categories. This area comes to 5,23,100 hectares. The entire area has escaped the

No. of corrections :

notice of the committee or it is possible that the same has been included under other categories.

e) So far as the C & D class of lands are concerned there is no difference between 2 lists.

f) In respect of Sl.No. 6 thickly wooded areas the committee report indicates 7,03,309.67 hectares whereas according to the calculation of the Govt. the same comes to 3,68,826 hectares. There is a large difference of about 3.35 lakhs of hectares. This is due to the fact that the committee has perhaps wrongly included the unclassified forests also under the category of thickly wooded area and in the process certain arithmetical miscalculations have inadvertently crept in.

g) There is no difference so far as item No.7 URUDUVE is concerned.

h) In respect of item No. 8, 9, 11 and 12, are concerned relating to 'bane' lands, coffee saguvali malai, paisari and kumki, the following clarifications need to be given.

(i) The area mentioned under above 4 categories comes to around 1,72,665.22

No. of corrections :

1027

hectares. These lands do not find place in Government list. Certain lands have been allotted for the purpose of serving the cause of "sustainable development". Particularly export oriented commercial crops like coffee, cardamom and orange have been cultivated by the private holders in the plantation - crops districts of Kodagu, Chickmagalur, Hassan and South Kanara. Mostly these private holdings are on the basis of grants made by erstwhile rulers. These plantations have got to be supported by thick green coverage for the purpose of shade, green manures, retention of water levels and soil conservation etc., etc.. The supporting green coverage is nothing but that which falls under the category of subsidiary purpose for cultivation. Where there is no supporting green coverage for these plantation crops, the land holders themeselves have takenup afforestation to provide the green coverage.

(ii) The erstwhile statutory provisions in the form of Coorg settlement regulations duly recognised by the Indian Forest Act of 1927 have been consistently retaining the seperate statutory identity of these plantation areas as being different from that of the forests. Therefore, the 'bane' lands, coffee sagu malai and kumki lands (local expression in South

No. of corrections :

Kanara used for indicating assessed waste Govt. lands for supporting the cultivation with certain statutorily granted privileges) can't be included under the category of forests. Similarly the category in paisari lands which are Government Revenue lands also cannot be included under the category of forests as these lands were allotted for the purpose of cultivating the commerical crops as aforesaid. Hence these 4 categories of lands which are plantation - crops lands have been erroneously proposed to be considered as forest lands by the committee without looking into the actual nature of the lands.

i) The other categories viz., Amrutha Mahal Kaval, Mangrooves, river catchment areas, assessed waste lands, inam lands etc., are correctly tabulated in both the lists. In view of the above discrepencies there is an overall difference of about 43,109 hectares, the Govt. list being on the higher side. Except the above discrepency, the report of the Expert Committee No.I has been accepted by the Govt.

j) That it is not out of place to mention that the Govt. of Karnataka has been taking very strict and stringent measures to preserve and protect the forests, environmental and ecological wealth as under:-

No. of corrections :

a) On 16.9.1974, the Karnataka Forest Act was amended and the power of dereserving the reserved forest was surrendered by the Govt. to the State Legislature thereby no reserve forest could be dereserved unless a resolution to that effect was passed by both the houses of legislature. This was much before the Forest (Conservation) Act 1980 came into force.

b) The Karnataka Preservation of Trees Act, came into effect in 1976 putting restrictions on felling of trees even in private lands.

c) Earlier the Govt. of Karnataka had entered into long term agreements with Forest based industries to supply raw materials from forests. On 13.1.1984, the Karnataka Forest Act was amended to provide for abrogation of all long term agreements after 5 years. From 14.1.1989 none of these agreements are renewed and raw materials are not supplied to Industries by Government. The supply has been banned by Govt. Order No.AHFF/164/FDF/90 dated 10.10.1990. The industries have to depend upon auction sales in Govt. depots, private timber and imported timbers.

d) It is respectfully submitted that the drier districts of the State have got more saw mills than the timber producing districts falling in Western Ghats. The following table indicates this trend :

No. of corrections :

Data for the region as Percentage of the State data

Sl. No.	Region	Geographical Area	Forest Area	No. of Saw mills
1.	Dry/Maidan Areas	54.9	25.5	56.0
2.	Semi malnad areas	23.9	21.8	30.0
3.	Malnad areas	21.2	52.7	14.0
	Total	100.0	100.0	100.0

The sample study of the species used by saw mills also indicates the increased use of farm tree species like Neem (Azadirachta indica), Karijali (Acacia nilotica), Jack (Artocarpus integrifolia), Mango (Mangifera indica), Tamarind (Tamarindus indica), Silver oak (Grewelia robusta), Eucalyptus hybrid & Casuarina equisetifolia, etc.

e) It is respectfully submitted that the Rule 163 of the Karnataka Forest Rules 1969 (Rule 163 introduced w.e.f. 16-09-1974) provides that no saw mill or any other sawing contrivances can be established any where in the state without a licence under the Rules. No distance limit has been prescribed for the saw mill. However, it is prescribed that saw pit or any other hand sawing contrivance for cutting or converting timber shall not be established within two kms. of forest boundaries without obtaining licence from Range Forest Officer. An analysis of the distance of saw mills indicates that 116 saw mills, 2 ply wood industries and 2 veneer mills out of a total of 3045 industries (around 4%) are situated within a distance of two kms., 40% of the saw

No. of corrections :

mills, 4% of ply wood industries and 15% of veneer mills are located between two to ten kms., the balance being beyond ten kms. It is suggested that no licence should be issued to establish new mills within ten kms. of forest boundaries (crow-fly distance).

f) During 1983 itself clear felling of forests for artificial regeneration and conversion into monoculture was banned. Felling of green trees in Evergreen, Semi Evergreen, Moist Deciduous and Dry Deciduous Forests has been stopped since 1987 followed by the Govt. Order No.AHFF/164/FDP/90 dated 10.10.1990 confirming the ban. Since then only dead and fallen trees are salvaged from the forests.

g) The diversion of forest lands for non-forestry purposes requires prior approval of Govt. of India under Forest (Consedrvation) Act. An area of 11,475 ha. has been diverted till March 1996. Against this raising of compensatory plantations in lieu of diverted lands at the cost of user agency is required. The State is the first in the country in achieving the targets under compensatory plantation which stands at 103%.

It is respectfully submitted that

5. In view of the above policy decisions which have been very strictly enforced, the State of Karnataka has been able to achieve the maximum forest growth. The effectiveness of the combined measures and conservation and afforestation are reflected in the increase of total forest green cover to the tune of 144 sq km between 91-93 and a further increase of 39 sq km. between 93 and 95 as per the assessments made by the Forest Survey of India through satellite imageries. The average growing stock of Karnataka viz. 84.23 cum per

AFFIDAVIT IN SUPPORT OF THE REPORTS OF EXPERT COMMITTEES I AND II

I, P.G.Prasad, aged 51 years S/o Pujahanumaiah, working as Under Secretary, Govt. of Karnataka, Forest, Environment and Ecology Department, M.S.building, Bangalore-1, do hereby solemnly swear and affirm as under:-

No. of corrections :

1. I have been prosecuting the above matters in this Hon'ble Court. By virtue of my personal handling of the case as well as by virtue of the records and papers in my possession and by virtue of an authorisation by the Government of Karnataka in my favour enabling me to swear this affidavit, I am competent to swear this affidavit.

2. It is submitted that as per the order of this Hon'ble Court dated 12th December 1996, the Expert Committee I had been constituted by the Govt. by order dated.10.01.1997 as under:-.

1. Chief Conservator of Forests, Working Plans & & Development	- Chairman
2. Conservator of Forests, Kanara Circle, Sirsi	- Member
3. Conservator of Forests, Bellary Circle, Bellary	- Member
4. Conservator of Forests, Shimoga Circle, Shimoga	- Member
5. Conservator of Forests, Belgaum Circle, Belgaum	- Member
6. Conservator of Forests, Social Forestry Circle, Gulbarga	- Member
7. Conservator of Forests, Social Forestry Circle, Bangalore.	- Member
8. Conservator of Forests, Project Formulation & Planning, Bangalore.	- Member Secretary

No. of corrections :

Similarly Expert Committee No.II was constituted by the Govt. by its order dated.10.01.1997 as under:-

1. Chief Conservator of Forests, Administration	- Chairman
2. Conservator of Forests, Bangalore Circle, Bangalore	- Member
3. Conservator of Forests, Mysore Circle, Mysore	- Member
4. Conservator of Forests, Kodagu Circle, Madikeri	- Member
5. Conservator of Forests, Social Forestry Circle, Hassan	- Member
6. Conservator of Forests, Social Forestry Circle, Dharwad	- Member
7. Conservator of Forests, Vigilance	- Member
8. Conservator of Forests, (Communication & Information), Bangalore	- Member

3. It is further submitted that the above said committees after protracted deliberations have submitted their respective reports which are filed herewith as enclosure 1 and enclosure 2 respectively.

4. That on a detailed consideration of both the reports the Govt. has fully accepted the report of the Expert Committee II. However, in respect of the report of the Expert Committee No.I there have been certain minor discrepancies in the matter of identification of the forest areas. According to the statement III at page 9 of the of the report of Expert Committee I, the total forest area identified by the Committee comes to 45,89,506 hectares. Whereas, that total forest area as per the records of the Govt. correctly calculated comes to around 46,32,615 hectares. The tabulated form of the list

No. of corrections :

shown at page 9 of the report of the committee I will be referred to as committee list and the list filed at page 21 with my affidavit dated 05/04/97 will be referred to as Government list. The discrepancy between the two lists needs to be explained as under:-

a) That total reserve forest indicated by the Expert Committee report is 28,18,905.63 hectares. Whereas, the reserve forests duly notified under Section 17 of the Karnataka Forest Act,1963 correctly calculated comes to 28,68,996 hectares. Thus there is a difference of about 50,000 hectares in calculation.

b) The protected forests is shown as 4,11,533.54 hectares in the committee report whereas the protected forests as notified under Section 35 of the Karnataka Forest Act,1963 comes to around 3,93,072 hectares. Thus there is a difference of about 18,000 hectares.

c) Similarly there is a difference of about 3,000 hectares in the case of village forest and about 400 hectares in the case of private forests.

d) An area amounting to 5,23,100 hectares transferred to Forest Department by Govt. from time to time have not been classified as yet and therefore they are not shown in the above 4 categories. This area comes to 5,23,100 hectares. The entire area has escaped the

No. of corrections :

notice of the committee or it is possible that the same has been included under other categories.

e) So far as the C & D class of lands are concerned there is no difference between 2 lists.

f) In respect of Sl.No. 6 thickly wooded areas the committee report indicates 7,03,309.67 hectares whereas according to the calculation of the Govt. the same comes to 3,68,826 hectares. There is a large difference of about 3.35 lakhs of hectares. This is due to the fact that the committee has perhaps wrongly included the unclassified forests also under the category of thickly wooded area and in the process certain arithmetical miscalculations have inadvertently crept in.

g) There is no difference so far as item No.7 **URUDUVE** is concerned.

h) In respect of item No. 8, 9, 11 and 12, are concerned relating to 'bane' lands, coffee saguvali malai, paisari and kumki, the following clarifications need to be given.

(i) The area mentioned under above 4 categories comes to around 1,72,665.22

No. of corrections :

hectares. These lands do not find place in Government list. Certain lands have been allotted for the purpose of serving the cause of "sustainable development". Particularly export oriented commercial crops like coffee, cardamom and orange have been cultivated by the private holders in the plantation - crops districts of Kodagu, Chickmagalur, Hassan and South Kanara. Mostly these private holdings are on the basis of grants made by erstwhile rulers. These plantations have got to be supported by thick green coverage for the purpose of shade, green manures, retention of water levels and soil conservation etc., etc., The supporting green coverage is nothing but that which falls under the category of subsidiary purpose for cultivation. Where there is no supporting green coverage for these plantation crops, the land holders themeselves have takenup afforestation to provide the green coverage.

(ii) The erstwhile statutory provisions in the form of Coorg settlement regulations duly recognised by the Indian Forest Act of 1927 have been consistently retaining the seperate statutory identity of these plantation areas as being different from that of the forests. Therefore, the 'bane' lands, coffee sagu malai and kumki lands (local expression in South

No. of corrections :

Kanara used for indicating assessed waste Govt. lands for supporting the cultivation with certain statutorily granted privileges) can't be included under the category of forests. Similarly the category in paisari lands which are Government Revenue lands also cannot be included under the category of forests as these lands were allotted for the purpose of cultivating the commerical crops as aforesaid. Hence these 4 categories of lands which are plantation - crops lands have been erroneously proposed to be considered as forest lands by the committee without looking into the actual nature of the lands.

i) The other categories viz., Amrutha Mahal Kaval, Mangrooves, river catchment areas, assessed waste lands, inam lands etc., are correctly tabulated in both the lists. In view of the above discrepencies there is an overall difference of about 43,109 hectares, the Govt. list being on the higher side. Except the above discrepency, the report of the Expert Committee No.I has been accepted by the Govt.

j) That it is not out of place to mention that the Govt. of Karnataka has been taking very strict and stringent measures to preserve and protect the forests, environmental and ecological wealth as under:-

No. of corrections :

a) On 16.9.1974, the Karnataka Forest Act was amended and the power of dereserving the reserved forest was surrendered by the Govt. to the State Legislature thereby no reserve forest could be dereserved unless a resolution to that effect was passed by both the houses of legislature. This was much before the Forest (Conservation) Act 1980 came into force.

b) The Karnataka Preservation of Trees Act, came into effect in 1976 putting restrictions on felling of trees even in private lands.

c) Earlier the Govt. of Karnataka had entered into long term agreements with Forest based industries to supply raw materials from forests. On 13.1.1984, the Karnataka Forest Act was amended to provide for abrogation of all long term agreements after 5 years. From 14.1.1989 none of these agreements are renewed and raw materials are not supplied to Industries by Government. The supply has been banned by Govt. Order No.AHFF/164/FDF/90 dated 10.10.1990. The industries have to depend upon auction sales in Govt. depots, private timber and imported timbers.

d) It is respectfully submitted that the drier districts of the State have got more saw mills than the timber producing districts falling in Western Ghats. The following table indicates this trend :

No. of corrections :

Data for the region as Percentage of the State data

Sl. No.	Region	Geographical Area	Forest Area	No. of Saw mills

3.	Malnad areas	21.2	52.7	14.0
	Total	**100.0**	**100.0**	**100.0**

The sample study of the species used by saw mills also indicates the increased use of farm tree species like Neem (Azadirachta indica), Karijali (Acacia nilotica), Jack (Artocarpus integrifolia), Mango (Mangifera indica), Tamarind (Tamarindus indica), Silver oak (Grewelia robusta), Eucalyptus hybrid & Casuarina equisetifolia, etc.

e) It is respectfully submitted that the Rule 163 of the Karnataka Forest Rules 1969 (Rule 163 introduced w.e.f. 16-09-1974) provides that no saw mill or any other sawing contrivances can be established any where in the state without a licence under the Rules. No distance limit has been prescribed for the saw mill. However, it is prescribed that saw pit or any other hand sawing contrivance for cutting or converting timber shall not be established within two kms. of forest boundaries without obtaining licence from Range Forest Officer. An analysis of the distance of saw mills indicates that 116 saw mills, 2 ply wood industries and 2 veneer mills out of a total of 3045 industries (around 4%) are situated within a distance of two kms., 40% of the saw
